

Manitoulin Youth Conference

What to expect at MYC

The Day Begins at 7:30am!

7:15am - Wake Up Call

7:30am - Breakfast

8:30am - Introduction

8:45am - Discussion Groups

Discussion Groups

This is the heart of Youth Conference. After meeting at the Pavilion to read the introductory passaged for the day's study, we break into groups of 12-13 people to discuss and share the thoughts that came out of our personal study.

Completion of the workbook is integral to a successful discussion group: this allows you to understand the material discussed and add thoughts from your own study.

Discussion Groups

2 Discussion groups occur each morning: focusing on the study of the workbook.

There is a break between the groups – allowing you time for snacks and sharing points learnt from your discussion.

Meals - A Great Time to Meet New People!

Meals allow you the time to meet new people.

It is also the time to discuss your discussion groups and the days activities.

Activities at MYC

There are many activities to participate in during the day: basketball, volleyball, baseball, paddle boating...

Still Have Free Time...

You can also participate in craft classes, longest drive competitions, soccer challenges, and 4 on 4 hockey (among many others)!

MYC Choir

A highlight of the week is the Youth Conference Choir.

The practices occur in the afternoons with the final performance Friday night.

Special Activity - Crazy Olympics

Another great activity at MYC are the Crazy Olympics which take place mid-week and get everyone involved in fun activities.

Jobs to be done...

There are also many duties that need to be covered each day: these are laid out in the program and include: bathroom cleaning, BBQ prep., garbage pickup, etc.

Evening Classes & Seminars

Each night we gather in the pavilion to hear classes from our speaker on that years study.

There are also additional late-night seminars on varied topics of interest.

Nighttime Activities

There are many nighttime activities that take place: some get together to prepare for discussion groups, others participate in canoe races, and some head to Lake Martin to watch the sun set.

Finishing Each Day

Each night we gather by the Halah to sing songs and praises to God around a bonfire. We end each day with a devotion and the Youth Conference camp hymn.

We pray that God will bless us in our studies together and we look forward to seeing you, God Willing, at Manitoulin Youth Conference.
